Headquarters Reply to Vien 1973

1. We have postponed our next trip to your station pending the outcome of discussions at Headquarters with regard to forwarding you a reply to Vien 1973. To date we have heard nothing more than indicated in paragraph 3 of Wash 4366. We do believe that our next visit will take place in a fortnight so as to allow the reference dispatch (see Wash 4366) to reach you.

2. Our records here are not accurate and complete as to the disposition of the ten radio sets. We assume that Kapok MAVIA 1966 treats of this in detail. If you recall our conversations on this subject during our last visit, your office consented to advise us of the technical aspects of the burials. If you have not as yet forwarded us extracts of your report, please withhold doing so as we can prepare our own extracts during our next visit.

3. We are anxious to know whether you have any additional candidates for training; if so, whether their briefs have been forwarded to Headquarters for approval.
